Career Objective

Utilizing eight **years of extensive experience** in the WordPress ecosystem, I am dedicated to constructing high-performance, scalable web solutions. My expertise lies in developing **custom themes and plugins from the ground up**, optimizing site architecture for enhanced speed and search engine optimization (SEO), and implementing intricate technical integrations. My objective is to foster innovation through clean code and contemporary front-end practices, thereby ensuring seamless user experiences and robust backend functionality.

I'm eager to find a tough job at a well-known company where I can grow my skills, help the team succeed, and build a long-term career.

Skills:

WordPress Theme and Plugin Development, PHP (OOP, CodeIgniter, Laravel), MySQL, JavaScript, jQuery, Html, Html5, CSS, CSS3 (Almost 10 years), Tailwind, Bootstrap5
